You Can Take the Plunge Too!

Everyone can use the steam room and hydrotherapy circuit at Azul's Vessa Spa without charge. While it is said there are numerous benefits, the largest maybe stress relief. It sounds like a great way to start your stay at Azul! It is recommended that you do a steam room for about 8 minutes, followed by the cold plunge pool and then the warm pool. Afterwards, lie back in a spa lounge and allow the relaxing scents to seep in.
