

Travel Protection

Protect your vacation investment! Unfortunately, none of us can predict the future or things that could come up preventing us from traveling. Likewise, we all envision having a flawless trip, but on occasion, the unexpected occurs. Please make sure you are covered under both of these possible scenarios. If travel protection is declined, a waiver will be required (<http://www.myfavoritetravelagent.net/travel-protection-waiver.html>).

For Land Only Packages: \$59/per person (due along with deposit amount)

For Land/Air Packages: \$89/per person (due along with deposit amount)

Part A:

All cancellations on the PPP Plan (or PPP + Plan) must be received a minimum of 24 hours prior to scheduled departure time. When you purchase the PPP+, all applicable cancellation charges (not change fees) as per your Terms and Conditions contract will be refunded (in the original form of payment) as follows: 1. Charter air packages and Land Only packages will receive the cost of the package, less PPP+ fee. 2. Scheduled-Air packages will receive cash back for the cost of the land portion less the PPP+ fee. Clients will receive the airline ticket numbers (or paper tickets) and be advised of the ticket cost. Clients can use the cost of the airline ticket, less the airline change fee (usually \$150 to \$250 per ticket) to purchase a new ticket to: a) the same Vacation Express destination on same carrier, b) a different Vacation Express destination on same carrier, or c) any destination that the issuing carrier flies. If clients take option "c" they must contact the issuing airline direct for reservations. VERY IMPORTANT - Published air tickets must be used by one year from original purchase date. Any increases in the air or hotel price of rebooked vacations are the responsibility of the traveler.
